

New District Guide

Mid-South District

Wide open!

This simple, yet profound statement taken from Revelation 3:8, expresses the theme of Connection, our 2009 Foursquare convention. It also reflects our anticipation of God's purposes for The Foursquare Church as we boldly follow Him into a new season of fruitful ministry worldwide.

The familial relationship in The Foursquare Church and the bond of trust we share have brought us to an exciting place in our church's history. We are officially launching 14 new districts that are led by newly appointed supervisors who will lead our ministers and ministries into the Lord's harvest.

As you read the information in this brochure relating to the launch of your new district, please do so with great care and intercession. Pray for your newly installed district supervisor and for the other district supervisors who will lead our ministers and ministries into the Lord's harvest.

There is no finer hour to serve the Lord in the Foursquare family than today. As never before our collective commitment is to partner toward a common mission of reaching, resourcing and releasing leaders to God's full potential. As we set our hearts to mobilize the next generation and equip emerging leaders for the work of the ministry, we know you sense the passion of God to do everything possible so these leaders mature into effective and successful ministers of the Gospel.

Our continued prayer is that the launch of your new district will bring about health and vitality to your region, your community and to your local assembly of believers.

Praise God for His continued anointing on The Foursquare Church!

Pastor Jack W. Hayford
President

Glenn C. Burris, Jr.
Vice President / General Supervisor

The Foursquare Church exists to serve the body of Christ, to advance the gospel of Christ, and to cultivate members in Christ, and you are an integral part of this mission.

Dear Pastor:

Greetings to our Mid-South Foursquare District family. As we begin this incredible journey together, we are filled with joy and expectation. Diane and I are excited to once again be partnering with so many of you who are dear friends. We look forward to building on those relationships while establishing new ones with those of you we have yet to meet.

Thank you to the many who have called or sent messages of support and affirmation in these past months. You will never know how much that means to us. Thank you also to the four former supervisors—Kim Pitner, Tony Krishack, J.D. Miera-Martinez and Kim Voisin—for their strong leadership and loving dedication over these past six years. We know they have served you well, and they continue to be a vital part of the leadership team as we seek the Lord's direction for our future together.

As I am sure you can imagine, leading a district of this geographical size presents some challenges, but also tremendous opportunities. We believe the very distinct cultural and ethnic diversities in the Mid-South District offer each of us the increased potential of growing in our understanding of God's love for all the world. As we focus on Jesus Christ our Savior, Baptizer with the Holy Spirit, Healer and Soon-Coming King, we will together embrace the different "flavors" of how this message is presented.

We will introduce you more fully to those who will be serving as full-time district staff in the days ahead. For now, let me say we will be well served by the gifts of Gary Dunahoo, Glen Pummel and Kelly Wygant. I am excited for you to get to know each of them.

We pray you are filled with as much anticipation for God's plans and provision as we are. "This is the day the Lord has made; we will rejoice and be glad in it" (Ps. 118:24, NKJV).

With our love,

David L. Coffey
Mid-South District Supervisor
